|             |  |

**11. Service targets:** Use the table below to show the number of clients/participants in each municipality that are expected to directly benefit from the program or initiative.

Remember that HRCIF funding must only be used for services to Halton residents.

### Measurements in the table:

Please define how a unique client is measured (for example, one client may represent one workshop participant, one person served, or one household served).

### Organization's definition of a unique client:

If the organization uses different methods of collecting service numbers or the amount of service clients are provided with (such as number of visits or number of contacts), please fill in **both** the number of unique clients served and number of clients served through the other relevant measure.

### Organization's other measure used (if applicable):

| Municipality | Number served in 2023<br>(if applicable) |               | Targets for 2024 |               |

2. Is the total budget for the program or initiative greater than the HRCIF request?

Yes No

If yes, please describe the other sources of funding.

**3. Funding period:** If approved, what is your preferred start date for the funding (must be no earlier than July 1, 2024)?

## Section 5: Work Plan

### Instructions:

Complete the work plan template (following these instructions) to define the program or initiative's goals, key activities, specific targets, and evaluation methods. Explanations of what each of these means are provided below, along with examples. However, the amount or type of information that is appropriate for a specific funding request will vary. Include all relevant information about the plan for your program or initiative.

If the application is approved for funding, your work plan will be used to establish requirements for the grant.

#### **Explanations and examples:**

Use these as a guide for what you should enter in each column of the work plan template.

- a. **Program or initiative goals:** Provide a brief description of each key goal the program or initiative is intended to achieve.
  - i. For example: Enhance the well-being of youth who are vulnerable to negative health and social outcomes by providing access to mental health supports and service navigation.
- b. Key activities: Tasks that are necessary to achieve the goals and targets.
  - i. For example: Recruit youth by promoting the program to parents, Halton service providers, local schools and youth via social media, word of mouth and other communication channels.
- c. **Specific targets and impact:** Specific results the program or initiative is aiming to achieve. Targets should demonstrate the impact the program or initiative is meant to have on clients or the community. Targets should be specific, measurable, and achievable within the funding period. Targets may address:
  - i. **Program deliverables** such as the number of clients to be served, the number of sessions to be delivered, the number weeks of programming to be provided, the number of meals to be served, etc.
  - ii. Program performance targets that measure client satisfaction, the amount of increase in efficiency, etc.
  - iii. **Client impact** including changes in clients' circumstances, knowledge, skills, attitude, and behaviour. **For example:** 80% of youth will report an improved sense of mental health and well-being.
- d. **Evaluation methods:** How will the organization measure progress towards specific targets? This can include both quantitative and qualitative methods.
  - i. For example: Track attendance, survey clients, etc.
