

Building a Better Halton

February 4, 2021

Dundas Street Improvements, Phase 1: Appleby Line to Bronte Road

Widening to 6 lanes

Bridge

Multi-use pathways

Notice of Online Public Information Centre (PIC) – PR-2672B and PR-2671B

PIC Date: February 11 – 25, 2021

About This Project

Halton Region is making improvements to Dundas Street (Regional Road 5), from Appleby Line to Bronte Road (Regional Road 25), Wards, 5 & 6, City of Burlington and Wards 1 & 7, Town of Oakville, with construction anticipated to start in spring 2021.

These improvements will help accommodate future growth and travel demand through north Burlington and Oakville and provide safe travel options for motorists, pedestrians and cyclists.

Improvements include:

- widening from four to six lanes;
- road resurfacing;
- new multi-use paths, sidewalks and on-road bike lanes;
- new bus stops and shelters;
- new traffic signals and street lights;
- new bridges;
- upgraded storm water infrastructure;
- environmental protection measures.

An online Public Information Centre (PIC) is being held February 11–25, 2021 for any residents or businesses with an interest in the project. The online PIC will cover:

- planned road improvements;
- project renderings;
- how to plan ahead for construction; and
- the project schedule.

Building a Better Halton

February 4, 2021

To participate in the online PIC, visit the **Dundas Street Improvements webpage** on **halton.ca** and provide your questions or comments through the online comment form by **Thursday, February 25, 2021**.

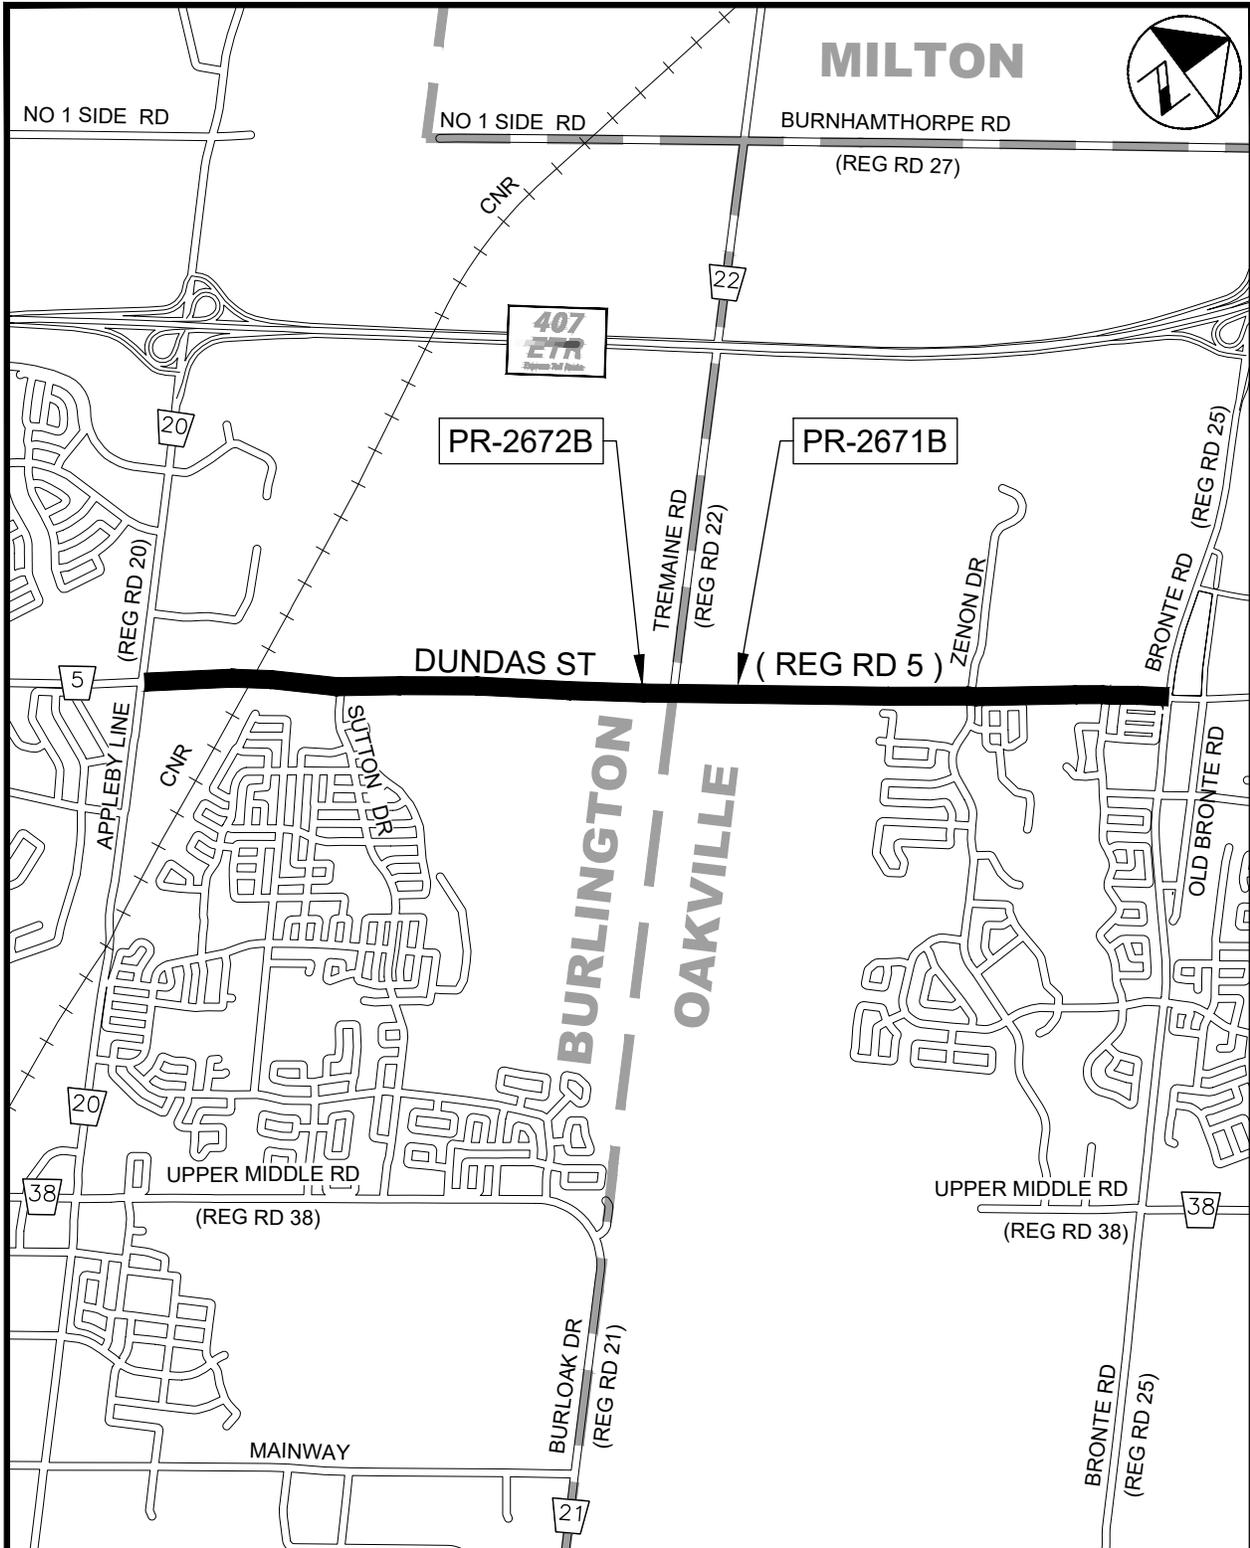

If you require an alternative format or need accessibility accommodation to provide feedback, please email accesshalton@halton.ca or call 311, TTY 905-827-9833 or 1-866-442-5866. We will work with you to meet your needs.

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
