

Building a Better Halton

September 17, 2021

Trafalgar Road Improvements Phase 2

Hays Boulevard to William
Halton Parkway (RR 40)

Widening to 6 lanes

Sidewalks

Multi-use pathways

Notice of Planned Construction – PR- 2079D

2023

About This Project

To keep traffic moving and maintain infrastructure in a state of good repair, Halton Region is making improvements to Trafalgar Road (Regional Road 3) from Hays Boulevard to William Halton Parkway (Regional Road 40), Wards 5, 6, and 7, Town of Oakville (see attached map).

Phase 1 of Trafalgar Road Improvements, from Leighland Avenue to North of Hays Boulevard, is currently under construction with completion scheduled for December 2021.

Phase 2 of Trafalgar Road Improvements is currently in the design phase, with construction tentatively scheduled to begin in 2023. Additional project details, including a refined schedule, will be issued as the project approaches construction. Phase 2 will include the following upgrades:

- Widening of Trafalgar Road from four to six lanes;
- New sidewalks, multi-use pathways, and landscaping;
- New transit infrastructure;
- New streetlighting and traffic signals;
- New stormwater management infrastructure and trunk wastewater main; and
- Equipment for the Regional Advanced Traffic Management System (ATMS).

As part of the project design process, Halton Region staff will be surveying, locating and marking above-ground and underground infrastructure within this area. ***Please do not disturb or remove any stakes or paint markings from your property. Our staff will remove them once the survey work is completed.***

Building a Better Halton

September 17, 2021

There will be geotechnical, hydrogeological, environmental and several other investigations throughout the corridor during the design process. You will be contacted by Halton Region if access to your property is required.

COVID-19 Update: Regional staff and contractors will be following health and safety guidelines set out by the Province and Public Health to help stop the spread of COVID-19. For more information, please visit halton.ca.

MORE INFORMATION

Building a Better Halton is about more than construction. It is about investments in infrastructure, service delivery improvements and building complete communities that maintain the high quality of life that residents expect and enjoy.
