Dear Mr. Sarchuk:

Re: 2019-2022 Multi-Sector Service Accountability Agreement with the Mississauga Halton Local Health Integration Network

The Mississauga Halton Local Health Integration Network (the "LHIN") and The Regional Municipality of Halton (the "HSP") entered into a Service Accountability Agreement for a one-year term effective April 1, 2018. The LHINs approved a new three-year Multi-Sector Service Accountability Agreement (the "MSAA") template for the period April 1, 2019 to March 31, 2022 to replace the current 2018/19 MSAA template.

The MSAA Schedules A, B, C, D, E (intentionally removed, and replaced with Mississauga Halton LHIN Funding Letter Template) and F have been revised to reflect updated financial, service activity and performance expectations for the 2019/20 fiscal year. The CAPS Narrative submitted by the HSP will not be included as a Schedule of the MSAA but will be utilized by the LHIN for planning purposes.

Please indicate the HSP's acceptance of the 2019-2022 Agreement and 2019/20 Schedules, by returning a signed copy of the agreement in PDF format, to the Mississauga Halton LHIN via email to Katie Halsall, Health System Performance Coordinator, Health System Performance, Funding and Contract Management at Katie.Halsall@lhins.on.ca by March 31, 2019.

In the event that the HSP is not be able to return a board-approved signed MSAA by the March 31, 2019 deadline, the HSP will need to provide the LHIN via email with a written declaration of its intent to sign, in

- (a) **At the End of a Funding Year.** If, in any Funding Year, the HSP has not spent all of the Funding the LHIN will require the repayment of the unspent Funding.
- (b) **On Termination or Expiration of this Agreement.** Upon termination or expiry of this Agreement and subject to section 12.4, the LHIN will require the repayment of any Funding remaining in the possession or under the control of the HSP and the payment of an amount equal to any Funding the HSP used for purposes not permitted by this Agreement. The LHIN will act reasonably and will consider the impact, if any, that a recovery of Funding will have on the HSP's ability to meet its obligations under this Agreement.
- (c) **On Reconciliation and Settlement.** If the year-end reconciliation and

settlement process demonstrates that the HSP received Funding in excess of its confirmed funds, the LHIN will require the repayment of the excess Funding.

(d) **As a Result of Performance Management or System Planning.** If Services are adjusted, as a result of the performance management or system planning processes, the LHIN may take one or more of the following actions:

- (1) adjust the Funding to be paid under Schedule A,
- (2) require the repayment of excess Funding;
- (3) adjust the amount of any future funding installments accordingly.

(e) **In the Event of Forecasted Surpluses.** If the HSP is forecasting a surplus, the LHIN may take one or more of the following actions:

- (1) adjust the amount of Funding to be paid under Schedule A,
- (2) require the repayment of excess Funding;
- (3) adjust the amount of any future funding installments accordingly.

(f) **On the Request of the LHIN.** The HSP will, at the request of the LHIN, repay the whole or any part of the Funding, or an amount equal thereto if the HSP:

- (1) has provided false information to the LHIN knowing it to be false;
- (2) breaches a term or condition of this Agreement and does not, within 30 Days after receiving Notice from the LHIN take reasonable steps to remedy the breach; or
- (3) breaches any Applicable Law that directly relates to the provision of, or ensuring the provision of, the Services.

(g) Sections 5.1(c) and (d) do not apply to Funding already expended properly in accordance with this Agreement. The LHIN will, at its sole discretion, and without liability or penalty, determine whether the Funding has been expended properly in accordance with this Agreement.

5.2 Provision for the Recovery of Funding. The HSP will make reasonable and prudent provision for the recovery by the LHIN of any Funding for which the conditions of Funding set out in section 4.5 are not met and will hold this Funding in accordance with the provisions of section 4.6 until such time as reconciliation and settlement has occurred with the LHIN. Interest earned on

Funding will be reported and recovered in accordance with section 4.6.

- 5.3 Process for Recovery of Funding.** If the LHIN, acting reasonably, determines that a recovery of Funding under section 5.1 is appropriate, then the LHIN will give 30 Days' Notice to the HSP.

The Notice will describe:

- (a) the amount of the proposed recovery;
- (b) the term of the recovery, if not permanent;
- (c) the proposed timing of the recovery;
- (d) the reasons for the recovery; and
- (e) the amendments, if any, that the LHIN proposes be made to the HSP's obligations under this Agreement.

Where the HSP disputes any matter set out in the Notice, the parties will discuss the circumstances that resulted in the Notice and the HSP may make representations to the LHIN about the matters set out in the Notice within 14 Days of receiving the Notice.

The LHIN will consider the representations made by the HSP and will advise the HSP of its decision. Funding recoveries, if any, will occur in accordance with the timing set out in the LHIN's decision. No recovery of Funding will be implemented earlier than 30 Days after the delivery of the Notice.

- 5.4 Settlement and Recovery of Funding for Prior Years.**

- (a) The HSP acknowledges that settlement and recovery of Funding can occur up to 7 years after the provision of Funding.
- (b) Recognizing the transition of responsibilities from the MOHLTC to the LHIN, the HSP agrees that if the parties are directed in writing to do so by the MOHLTC, the LHIN will settle and recover funding provided by the MOHLTC to the HSP prior to the transition of the Funding for the Services to the LHIN, provided that such settlement and recovery occurs within 7 years of the provision of the funding by the MOHLTC. All such settlements and recoveries will be subject to the terms applicable to the original provision of Funding.

5.5 Debt Due.

- (a) If the LHIN requires the re-payment by the HSP of any Funding, the amount required will be deemed to be a debt owing to the Crown by the HSP. The LHIN may adjust future funding instalments to recover the amounts owed or may, at its discretion direct the HSP to pay the amount owing to the Crown and the HSP shall comply immediately with any such direction.
- (b) All amounts repayable to the Crown will be paid by cheque payable to the "Ontario Minister of Finance" and mailed or delivered to the LHIN at the address provided in section 13.1.

5.6 **Interest Rate.** The LHIN may charge the HSP interest on any amount owing by the HSP at the then current interest rate charged by the Province of Ontario on accounts receivable.

ARTICLE 6.0 — PLANNING & INTEGRATION

6.1 Planning for Future Years.

- (a) **Advance Notice.** The LHIN will give at least 60 Days' Notice to the HSP of the date by which a CAPS must be submitted to the LHIN.
- (b) **Multi-Year Planning.** The CAPS will be in a form acceptable to the LHIN and may be required to incorporate:
 - (1) prudent multi-year financial forecasts;
 - (2) plans for the achievement of Performance Targets; and
 - (3) realistic risk management strategies.

It will be aligned with the LHIN's then current integrated health service plan required by LHSIA and will reflect local LHIN priorities and initiatives. If the LHIN has provided multi-year planning targets for the HSP, the CAPS will reflect the planning targets.

- (c) **Multi-year Planning Targets.** Schedule A may reflect an allocation for the first Funding Year of this Agreement as well as planning targets for up to two additional years, consistent with the term of this Agreement. In such an event,
 - (1) the HSP acknowledges that if it is provided with planning targets,

these targets:

- a. are targets only,
- b. are provided solely for the purposes of planning,
- c. are subject to confirmation, and
- d. may be changed at the discretion of the LHIN in consultation with the HSP.

The HSP will proactively manage the risks associated with multi-year planning and the potential changes to the planning targets; and

- (2) the LHIN agrees that it will communicate any changes to the planning targets as soon as reasonably possible.

- (d) **Service Accountability Agreements.** The HSP acknowledges that if the LHIN and the HSP enter into negotiations for a subsequent service accountability agreement, subsequent funding may be interrupted if the next service accountability agreement is not executed on or before the expiration date of this Agreement.

6.2 Community Engagement & Integration Activities.

- (a) **Community Engagement.** The HSP will engage the community of diverse persons and entities in the area where it provides health services when setting priorities for the delivery of health services and when developing plans for submission to the LHIN including but not limited to CAPS and integration proposals. As part of its community engagement activities, the HSPs will have in place and utilize effective mechanisms for engaging families, caregivers, clients, residents, patients and other individuals who use the services of the HSP, to help inform the HSP plans, including the HSP's contribution to the establishment and implementation by the LHIN of geographic sub-regions in its local health system.
- (b) **Integration.** The HSP will, separately and in conjunction with the LHIN and other health service providers, identify opportunities to integrate the services of the local health system to provide appropriate, coordinated, effective and efficient services.
- (c) **Reporting.** The HSP will report on its community engagement and integration activities, using any templates provided by the LHIN, as

requested by the LHIN and in any event, in its year-end report to the LHIN.

6.3 Planning and Integration Activity Pre-proposals.

- (a) **General.** A pre-proposal process has been developed to: (A) reduce the costs incurred by an HSP when proposing operational or service changes; (B) assist the HSP to carry out its statutory obligations; and (C) enable an effective and efficient response by the LHIN. Subject to specific direction from the LHIN, this pre-proposal process will be used in the following instances:
- (1) the HSP is considering an integration or an integration of services, as defined in LHSIA between the HSP and another person or entity;
 - (2) the HSP is proposing to reduce, stop, start, expand or transfer the
 - (3) location of services, which for certainty includes: the transfer of services from the HSP to another person or entity whether within or outside of the LHIN; and the relocation or transfer of services from one of the HSP's sites to another of the HSP's sites whether within or outside of the LHIN;
 - (4) to identify opportunities to integrate the services of the local health system, other than those identified in (A) or (B) above; or
 - (5) if requested by the LHIN.
- (b) **LHIN Evaluation of the Pre-proposal.** Use of the pre-proposal process is not formal Notice of a proposed integration under section 27 of LHSIA. LHIN consent to develop the project concept outlined in a pre-proposal does not constitute approval to proceed with the project. Nor does the LHIN consent to develop a project concept presume the issuance of a favourable decision, should such a decision be required by sections 25 or 27 of LHSIA. Following the LHIN's review and evaluation, the HSP may be invited to submit a detailed proposal and a business plan for further analysis. Guidelines for the development of a detailed proposal and business case will be provided by the LHIN.

6.4 Proposing Integration Activities in the Planning Submission. No integration activity described in section 6.3 may be proposed in a CAPS unless the LHIN has consented, in writing, to its inclusion pursuant to the process set out in section 6.3(b).

6.5 Definitions. In this section 6.0, the terms "integrate", "integration" and "services" have the same meanings attributed to them in section 2(1) and

section 23 respectively of LHSIA, as it and they may be amended from time to time.

ARTICLE 7.0 — PERFORMANCE

7.1 Performance. The parties will strive to achieve on-going performance improvement.

They will address performance improvement in a proactive, collaborative and responsive manner.

7.2 Performance Factors.

(a) Each party will notify the other party of the existence of a Performance Factor, as soon as reasonably possible after the party becomes aware of the Performance Factor. The Notice will:

- (1) describe the Performance Factor and its actual or anticipated impact;
- (2) include a description of any action the party is undertaking, or plans to undertake, to remedy or mitigate the Performance Factor;
- (3) indicate whether the party is requesting a meeting to discuss the Performance Factor; and
- (4) address any other issue or matter the party wishes to raise with the other party.

(b) The recipient party will provide a written acknowledgment of receipt of the Notice within 7 Days of the date on which the Notice was received (“Date of the Notice”).

(c) Where a meeting has been requested under paragraph 7.2(a)(3), the parties agree to meet and discuss the Performance Factors within 14 Days of the Date of the Notice, in accordance with the provisions of section 7.3.

7.3 Performance Meetings. During a meeting on performance, the parties will:

- (a) discuss the causes of a Performance Factor;
- (b) discuss the impact of a Performance Factor on the local health system and the risk resulting from non-performance; and
- (c) determine the steps to be taken to remedy or mitigate the impact of the Performance Factor (the “Performance Improvement Process”).

7.4 The Performance Improvement Process.

- (a) The Performance Improvement Process will focus on the risks of non-performance and problem-solving. It may include one or more of the following actions:
 - (1) a requirement that the HSP develop and implement an improvement plan that is acceptable to the LHIN;
 - (2) the conduct of a Review;
 - (3) an amendment of the HSP's obligations;
 - (4) an in-year, or year-end, adjustment to the Funding, among other possible means of responding to the Performance Factor or improving performance.
- (b) Any performance improvement process begun under a prior service accountability agreement that was not completed under the prior agreement will continue under this Agreement.
- (c) Any performance improvement required by a LHIN under a prior service accountability agreement will be deemed to be a requirement of this Agreement until fulfilled or waived by the LHIN.

7.5 Factors Beyond the HSP's Control. Despite the foregoing, if the LHIN, acting reasonably, determines that the Performance Factor is, in whole or in part, a Factor Beyond the HSP's Control:

- (a) the LHIN will collaborate with the HSP to develop and implement a mutually agreed upon joint response plan which may include an amendment of the HSP's obligations under this Agreement;
- (b) the LHIN will not require the HSP to prepare an Improvement Plan; and
- (c) the failure to meet an obligation under this Agreement will not be considered a breach of this Agreement to the extent that failure is caused by a Factor Beyond the HSP's Control.

ARTICLE 8.0 — REPORTING, ACCOUNTING AND REVIEW

8.1 Reporting.

- (a) **Generally.** The LHIN's ability to enable its local health system to provide

appropriate, co-ordinated, effective and efficient health services, as contemplated by LHSIA, is heavily dependent on the timely collection and analysis of accurate information. The HSP acknowledges that the timely provision of accurate information related to the HSP, and its performance of its obligations under this Agreement, is under the HSP's control.

(b) **Specific Obligations.** The HSP:

- (1) will provide to the LHIN, or to such other entity as the LHIN may direct, in the form and within the time specified by the LHIN, the Reports, other than personal health information as defined in LHSIA, that the LHIN requires for the purposes of exercising its powers and duties under this Agreement, the Accountability Agreement, LHSIA or for the purposes that are prescribed under any Applicable Law;
- (2) will fulfil the specific reporting requirements set out in Schedule B;
- (3) will ensure that every Report is complete, accurate, signed on behalf of the HSP by an authorized signing officer where required and provided in a timely manner and in a form satisfactory to the LHIN; and
- (4) agrees that every Report submitted to the LHIN by or on behalf of the HSP, will be deemed to have been authorized by the HSP for submission.

For certainty, nothing in this section 8.1 or in this Agreement restricts or otherwise limits the LHIN's right to access or to require access to personal health information as defined in LHSIA, in accordance with Applicable Law for purposes of carrying out the LHIN's statutory objects to achieve the purposes of LHSIA, including to provide certain services, supplies and equipment in accordance with section 5(m.1) of LHSIA and to manage placement of persons in accordance with section 5(m.2).

- (c) **French Language Services.** If the HSP is required to provide services to the public in French under the provisions of the FLSA, the HSP will be required to submit a French language services report to the LHIN. If the HSP is not required to provide services to the public in French under the provisions of the FLSA, it will be required to provide a report to the LHIN that outlines how the HSP addresses the needs of its local Francophone community.
- (d) **Declaration of Compliance.** Within 90 Days of the HSP's fiscal year-end, the Board will issue a Compliance Declaration declaring that the

HSP has complied with the terms of this Agreement. The form of the declaration is set out in Schedule F and may be amended by the LHIN from time to time through the term of this Agreement.

(e) **Financial reductions.** Notwithstanding any other provision of this Agreement, and at the discretion of the LHIN, the HSP may be subject to a financial reduction in any of the following circumstances:

- (1) its CAPS is received after the due date;
- (2) its CAPS is incomplete;
- (3) the quarterly performance reports are not provided when due; or
- (4) financial or clinical data requirements are late, incomplete or inaccurate,

where the errors or delay were not as a result of LHIN actions or inaction or the actions or inactions of persons acting on behalf of the LHIN. If assessed, the financial reduction will be as follows:

- a. if received within 7 Days after the due date, incomplete or inaccurate, the financial penalty will be the greater of (1) a reduction of 0.02 percent (0.02%) of the Funding; or (2) two hundred and fifty dollars (\$250.00); and
- b. for every full or partial week of non-compliance thereafter, the rate will be one half of the initial reduction.

8.2 Reviews.

(a) During the term of this Agreement and for 7 years after the term of this Agreement, the HSP agrees that the LHIN or its authorized representatives may conduct a Review of the HSP to confirm the HSP's fulfillment of its obligations under this Agreement. For these purposes the LHIN or its authorized representatives may, upon 24 hours' Notice to the HSP and during normal business hours enter the HSP's premises to:

- (1) inspect and copy any financial records, invoices and other finance-related documents, other than personal health information as defined in LHSIA, in the possession or under the control of the HSP which relate to the Funding or otherwise to the Services; and
- (2) inspect and copy non-financial records, other than personal health information as defined in LHSIA, in the possession or under the control of the HSP which relate to the Funding, the Services or otherwise to the performance of the HSP under this Agreement.

(b) The cost of any Review will be borne by the HSP if the Review: (1) was

made necessary because the HSP did not comply with a requirement under LHSIA or this Agreement; or (2) indicates that the HSP has not fulfilled its obligations under this Agreement, including its obligations under Applicable Law and Applicable Policy.

- (c) To assist in respect of the rights set out in (a) above, the HSP shall disclose any information requested by the LHIN or its authorized representatives, and shall do so in a form requested by the LHIN or its authorized representatives.
- (d) The HSP may not commence a proceeding for damages or otherwise against any person with respect to any act done or omitted to be done, any conclusion reached or report submitted that is done in good faith in respect of a Review.

Notwithstanding the foregoing, the LHIN may disclose information that it collects under this Agreement in accordance with LHSIA.

- 8.5 Transparency.** The HSP will post a copy of this Agreement and each Compliance Declaration submitted to the LHIN during the term of this Agreement in a conspicuous and easily accessible public place at its sites of operations to which this Agreement applies and on its public website, if the HSP operates a public website.

- (b) In the event that the HSP fails to provide an acceptable Transition Plan, the LHIN may reduce Funding payable to the HSP prior to termination of this Agreement to compensate the LHIN for transition costs.

12.3 Opportunity to Remedy.

- (a) **Opportunity to Remedy.** If the LHIN considers that it is appropriate to allow the HSP an opportunity to remedy a breach of this Agreement, the LHIN may give the HSP an opportunity to remedy the breach by giving the HSP Notice of the particulars of the breach and of the period of time within which the HSP is required to remedy the breach. The Notice will also advise the HSP that the LHIN may terminate this Agreement:

- (1) at the end of the Notice period provided for in the Notice if the HSP fails to remedy the breach within the time specified in the Notice; or
- (2) prior to the end of the Notice period provided for in the Notice if it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within that time or such further period of time as the LHIN considers reasonable, or the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN.

- (b) **Failure to remedy.** If the LHIN has provided the HSP with an opportunity to remedy the breach, and:

- (1) the HSP does not remedy the breach within the time period specified in the Notice;
- (2) it becomes apparent to the LHIN that the HSP cannot completely remedy the breach within the time specified in the Notice or such further period of time as the LHIN considers reasonable; or
- (3) the HSP is not proceeding to remedy the breach in a way that is satisfactory to the LHIN, then the LHIN may immediately terminate this Agreement by giving Notice of termination to the HSP.

12.4 Consequences of Termination. If this Agreement is terminated pursuant to this Article, the LHIN may:

- (a) cancel all further Funding instalments;
- (b) demand the repayment of any Funding remaining in the possession or under the control of the HSP;
- (c) through consultation with the HSP, determine the HSP's reasonable costs to wind down the Services; and
- (d) permit the HSP to offset the costs determined pursuant to section (c), against the amount owing pursuant to section (b).

12.5 Effective Date. Termination under this Article will take effect as set out in the Notice.

12.6 Corrective Action. Despite its right to terminate this Agreement pursuant to this Article, the LHIN may choose not to terminate this Agreement and may take whatever corrective action it considers necessary and appropriate, including suspending Funding for such period as the LHIN determines, to ensure the successful completion of the Services in accordance with the terms of this Agreement.

12.7 Expiry of Agreement. If the HSP intends to allow this Agreement to expire at the end of its term, the HSP will provide 6 months' Notice (or such shorter period as may be agreed by the HSP and the LHIN) to the LHIN, along with a Transition Plan, acceptable to the LHIN, that indicates how the needs of the HSP's clients will be met following the expiry and how the transition of the clients to new service providers will be effected within the 6-month Notice period.

12.8 Failure to Provide Notice of Expiry. If the HSP fails to provide the required 6 months' Notice that it intends to allow this Agreement to expire, or fails to provide a Transition Plan along with any such Notice, this Agreement shall automatically be extended and the HSP will continue to provide the Services under this Agreement for so long as the LHIN may reasonably require to enable all clients of the HSP to transition to new service providers.

- 14.5 LHIN is an Agent of the Crown.** The parties acknowledge that the LHIN is an

agent of the Crown and may only act as an agent of the Crown in accordance with the provisions of LHSIA. - 14.6 Express Rights and Remedies Not Limited.** The express rights and remedies of the LHIN are in addition to and will not limit any other rights and remedies available to the LHIN at law or in equity. For further certainty, the LHIN has not waived any provision of any applicable statute, including LHSIA, nor the right to exercise its rights under these statutes at any time.
- 14.7 No Assignment.** The HSP will not assign this Agreement or the Funding in whole or in part, directly or indirectly, without the prior written consent of the LHIN. The LHIN may assign this Agreement or any of its rights and obligations under this Agreement to any one or more of the LHINs or to the MOHLTC.
- 14.8 Governing Law.** This Agreement and the rights, obligations and relations of the parties hereto will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
