**RE: NOTICE OF CONSTRUCTION  
Beaufort Pumping Station and Reservoir Expansion,  
Ward 1, City of Burlington, Our File: PR-2897A**

---

Dear Resident/Property Owner:

Beginning February 2018, Halton Region will be constructing watermain valve chambers on Beaufort Drive between Portview Court and Harbour Court (see attached map). This work is part of the Beaufort Pumping Station and Reservoir Expansion Project which started in the fall of 2016.

The contractor for this project is Kenaidan Contracting Ltd. with project administration by Parsons Inc. Construction is expected to be completed by August 2018.

Utilities such as Union Gas, Hydro and Bell Canada have already started to locate and mark out their existing infrastructure to prepare for this construction. ***Please do not remove these marker stakes or paint markings. Staff will return to remove them once the project is complete.***

**Project Related Information and Recommendations:**

- **Traffic Delays** – The project may cause traffic delays, lane shifts or lane restrictions. We will make every effort to minimize any potential inconvenience. Emergency vehicle access will be maintained at all times.
- **Driveway Access** – During the project, direct access to your driveway may be restricted for short periods of time. You will be notified in advance of any planned restrictions.
- **Waste Collection** – Your garbage and recycling will continue to be picked up on the regular scheduled day. It is the contractor's responsibility to move your garbage and recycling to a location where our collection vehicles can pick them up. Please mark your house number on your containers or bins to help with identification.
- **Truck Traffic** – At times you will notice increased truck traffic in the construction area. Please be aware and use extra caution while driving.
- **Vibration** – You may experience some vibration due to the work being done. As a precaution, we recommend that you remove or secure objects on shelves and walls.
- **Mail Delivery** – We do not anticipate any changes or delays to mail delivery. Should there be any changes, you will be notified in advance.

**Regional Municipality of Halton**

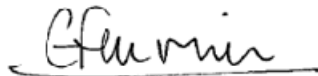

HEAD OFFICE: 1151 Bronte Rd, Oakville, ON L6M 3L1  
905-825-6000 | Toll free: 1-866-442-5866

- **Noise** – You may experience noise as a result of construction. Work will be scheduled in accordance with local noise by-laws.
- **Water and Wastewater Services** – There may be some disruption to your water services during the course of the project. You will receive written notice of any scheduled shutdowns or disruptions, a minimum of 48 hours before the disruption occurs.
- **Night Work** – Night work may be required as part of this project. You will be notified in advance of any change in work hours.
- **Dust and Mud** – Due to the nature of the work, there may be increased levels of dust and mud near the work site. The contractor is required to manage these impacts.

This project is part of *Building a Better Halton*, the Region's infrastructure construction plan for roads, water, wastewater, and waste management projects across Halton Region. For more information on Regional construction projects, please visit [www.halton.ca/construction](http://www.halton.ca/construction).

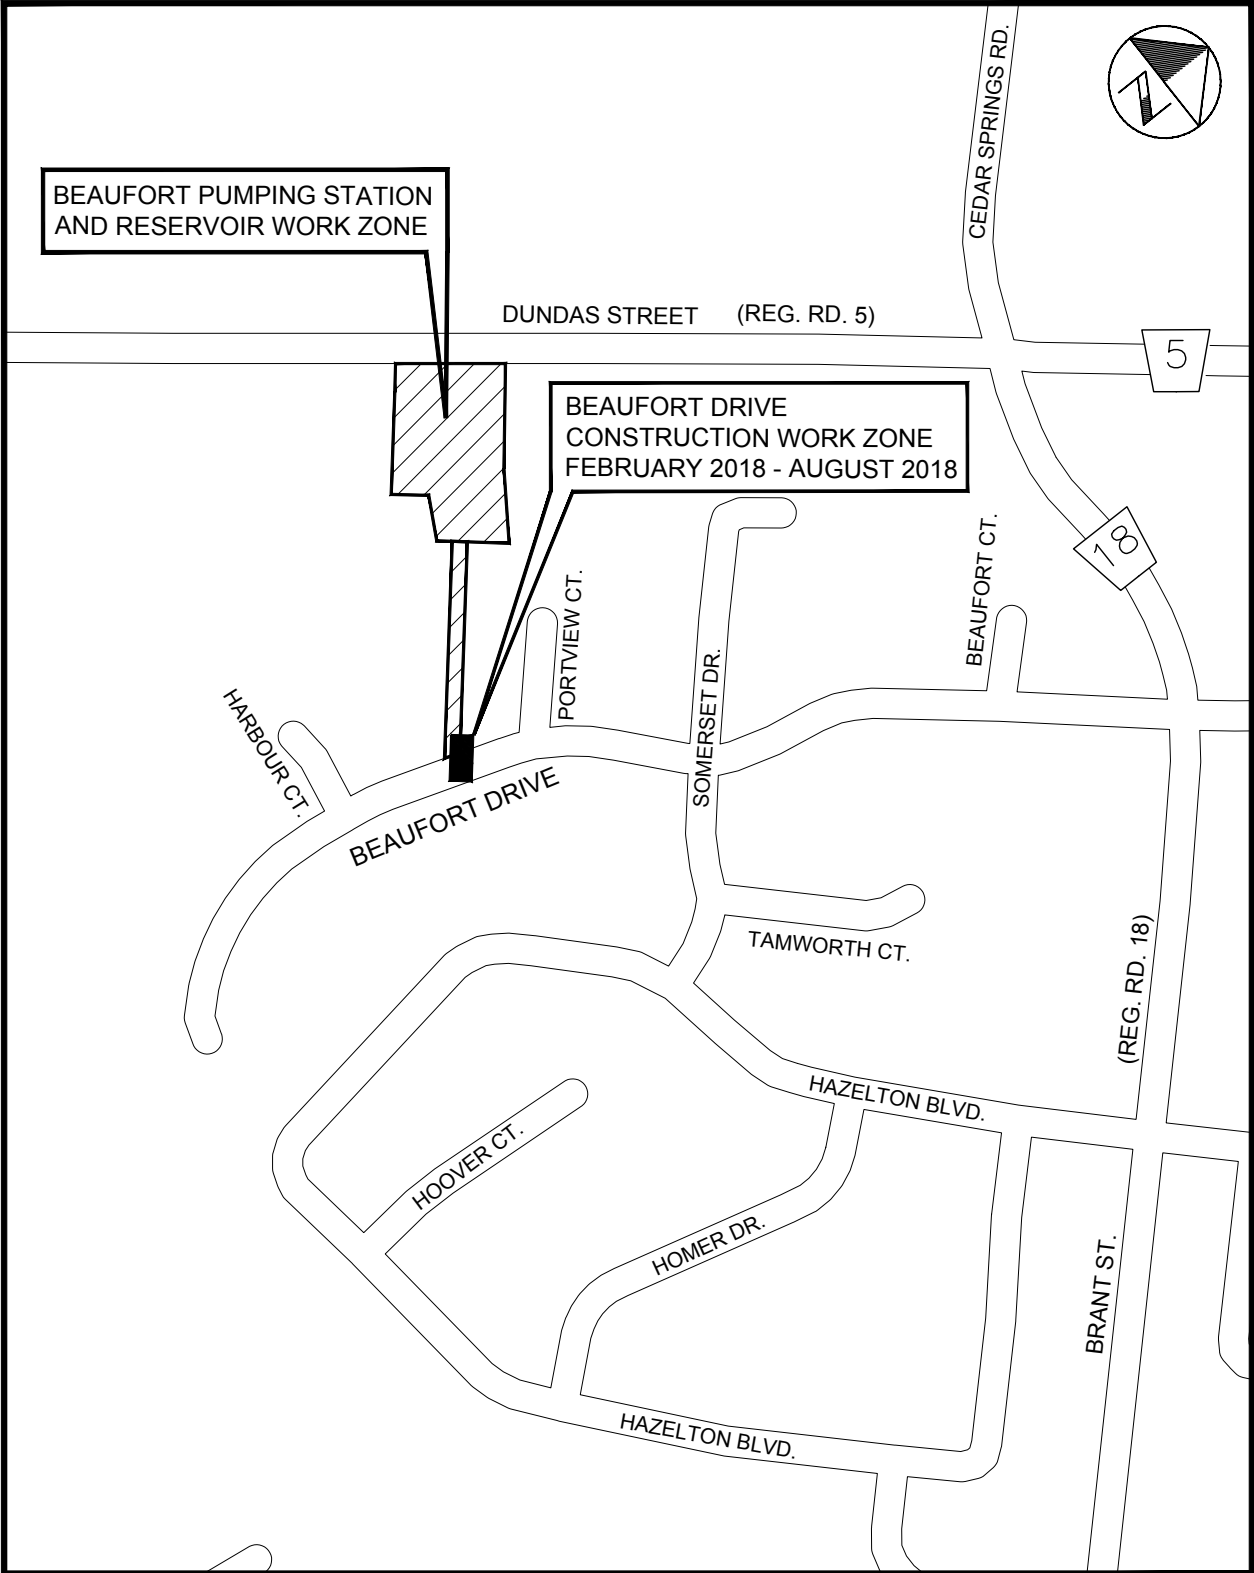

If you have any questions or require additional information, please dial 311 or contact me directly at 905-825-6000 (toll-free 1-866-442-5866), ext. 7417 or by email at [Gabrielle.Feuvrier@halton.ca](mailto:Gabrielle.Feuvrier@halton.ca).

Sincerely,

Gabrielle Feuvrier, P.Eng.  
Project Manager
