Development Water Capital Projects
(2007-2016)**

*Note:
Construction year may be contingent upon secondary plan approval, regulatory approvals, and financing. Construction year to be confirmed through Master Plan update.
Preliminary and detail design typically begins 1 year before construction commences. If Class Environmental Assessment is required, the study typically begins 2-3 years prior to construction.

ID	Project Descriptions - Water Capital Projects (2007-2016)	Construction Year *
5321	Dundas Street Watermain from Proudfoot Trail to Neyagawa Blvd	2008
5638	Appleby Line Watermain from North of Harrison Ct to Proposed Street A	2007
5719	Georgetown Water Treatment Plant Expansion	2007
3698	Waterdown Pump Station Zones 4 & 5 Upgrades	2008
3699	North Aldershot Reservoir	2008
3700	North Aldershot Reservoir Feedermain	2008
3817	Moore Reservoir Booster Pumping Station	2009
5716	Upgrade piping between Prospect Park Wells and Treatment Plant	2008
5718	Acton Reservoir Expansion	2008
4977	6th Line Watermain from Moore Reservoir to Britannia Road	2009
5720	Cedarvale Well Field Municipal Supply Well	2008
4978	Britannia Road Watermain from Fourth Line to Sixth Line	2009
4979	Fourth Line Watermain from Britannia Road to Louis St. Laurent Blvd.	2009
4980	Zone 5 Booster Pumping Station at Fourth Line	2009
5320	Dundas Street Watermain from east of new Bronte Road to Proudfoot Trail	2009
5319	Appleby Line Watermain from Harrison Ct to Dundas St	2008
5322	Neyagawa Blvd Watermain from Dundas St to Burnhamthorpe Rd, and Burnhamthorpe Rd Watermain from Neyagawa Blvd to Sixth Line, and Sixth Line Watermain from Burnhamthorpe Rd to Moore Reservoir.	2009
3820	Zone 3 Booster Pumping Station Upgrades at Kitchen Reservoir	2008
5534	Appleby Line Watermain from Proposed Street A to Appleby Line Reservoir	2008
5717	Acton Water Filtration (HHAFT)	2008
3696	North Aldershot Zone 3 Booster Pumping Station	2008
3785	Dundas Watermain from Trafalgar Rd to Sixth Line	2009
5634	Sixth Line Watermain from Dundas St to Burnhamthorpe Rd	2009
5715	Acton Well Field Development	2009
3837	Fifth Line Watermain from Steeles Ave to New Zone 5 Reservoir (Location to be confirmed through EA)	2009
3838	Zone 5 Reservoir at Fifth Line and 10 Sideroad - Phase 1 (Location to be confirmed through EA)	2009
5525	Sherwood Survey Watermain from Main Street to Highway 401	2009
3812	Dundas Watermain from Appleby Line to Tremaine Rd	2010
4981	Sixth Line Watermain from Moore Reservoir Booster Pumping Station to Burnhamthorpe Road	2010
5627	North Oakville Lands Watermain from Burloak Drive to Third Line	2010
54	Appleby Line Zone 3 Booster Pumping Station	2010
3821	New Bronte Road alignment Watermain from Upper Middle Road Pump Station to West Oak Trails Blvd	2010
64	Burloak Booster Pumping Station	2011
81	Zone 2 Booster Pumping Station at Third Line and QEW	2011
3786	Burloak Lands Watermain from Rebecca Street to CNR Tracks	2011
3787	Burloak Lands Watermain from McPherson Road to Burloak Road and Burloak Road Watermain to Upper Middle Road, and Upper Middle Road Watermain from Burloak Road to Appleby Line	2011
5521	Third Line Watermain from Speers Road to Zone 2 Booster Pumping Station	2011
3846	Main Street Watermain from Fourth Line to Fifth Line and Fifth Line Watermain from Main Street to Derry Road, and Derry Road Watermain from Fifth Line to Fourth Line	2012
3844	Steeles Avenue Watermain from Trafalgar Road to 8th Line South	2012
3845	Steeles Avenue Watermain from 8th Line South to Winston Churchill Blvd	2012
3713	Dundas St Watermain from Eighth Line to Ninth Line	2013
3818	Burnhamthorpe Rd Watermain from Trafalgar Rd to end of Burnhamthorpe Rd.	2013
3824	Burloak WPP - Phase 2 Expansion to 110 MLD	2013
4982	North Oakville Watermain from 8th Line to Neyagawa Blvd and Neyagawa Blvd. Watermain North to Burnhamthorpe Road	2013
4983	Eighth Line Watermain from Burnhamthorpe Road to Dundas Street	2013
5632	Ninth Line Watermain from Dundas St to Burnhamthorpe Rd.	2013
5633	Burnhamthorpe Rd Watermain from Ninth Line to Trafalgar Rd	2013
4975	Rebecca Street Watermain from Burloak Drive to Bronte Road	2013
4976	Bronte Road Watermain from Rebecca Street to Kitchen Reservoir	2013
5526	Tremaine Road Watermain from 600 metres South of Derry Road to Louis St. Laurent Blvd and Louis St. Laurent Blvd Watermain from Tremaine Road to Regional Road 25	2014
3836	Zone 5 Booster Pumping Station Upgrade	2015
5061	Proposed 25 ML Zone 4 Reservoir	2016
4985	1200mm WM on 6th Line from Britannia Rd to Zone 4 Reservoir	2016
